Strengthen immunological and nervous system and accelerate excess water elimination by stimulation through transpiring.

THAI OIL MASSAGE

This is the most popular massage treatment because it has a relaxing and therapeutic effect on a person. It improves circulation, hydrates and nourishes skin with the application of oils.

R350/ 60min.
R500/ 90min.
R600/ 120min.

"A good massage therapist is like a four-leaf clover; hard to find and lucky to have."

Thai and Oil Mixed Method Massage
A truly relaxing massage as this combines the benefits of Thai massage with the relaxing effect of oil. Although traditional Thai massage has the greatest health benefit, it can be tough if you're not use to it. With these two combined techniques, you can never go wrong if you want to restore health and harmony in the body.
R400/60min R550/90min R700/120min

Aromatherapy
This massage treatment provides extra therapeutic skills with use of specialized techniques enabling one to reduce anxiety, ease depression, boost energy levels, speed up the healing process, eliminate headaches, boost cognitive performance, induce sleep, strengthen immune system, reduce pain, improve digestion and increase blood circulation.
R420/60min R600/90min R750/120min

Thai Oil Massage
This is the most popular massage treatment because it has a relaxing and therapeutic effect on a person. It improves circulation, hydrates and nourishes skin with the application of oils.
R350/60min R500/90min R600/120min

Swedish Massage
Our most well- known and widely practiced type of therapeutic massage. It increases blood flow, provides rehabilitation for muscle injuries, increases flexibility, reduces stress and improves the immune system.
